

G.O.Ds
Previous Owners, Crews and Associates Regatta
Saturday, 20th June 2009

This is the 85th anniversary of the Garelochs and the current owners would like to invite you to take part in a celebratory days sailing, if possible in your old boat on the Gareloch.

The day will consist of three races, a buffet lunch and a dinner in the Club.

Extra crewmembers will be available on the day and people will be able to take an active part in all or any of the races or just to watch and socialize, as they like.

We are hoping to have twelve Goddesses afloat, Luna, Catriona, Thalia, Teal, Athene, Iris, Hermes, Thia, Zoe, Juno, Ceres, and Dione. Of the four remaining two - Circe and Halcyone are having a summer ashore, while Zephyrus and Galatea belong to the GOD Association and are looking for new loving owners!

Accommodation can be arranged for those traveling from afar for the regatta and it is hoped that as many as possible will come and join us in celebrating the 85th birthday of these lovely old boats.

Please do come, we would love to see you. Contact Gordon Mucklow,
